For firms with 19 or fewer attorneys.

**You've built a successful law firm.
Does your insurance coverage fully protect it?**

Consider These Actual Claim Scenarios

- An attorney represented a lender at a closing of a residential real estate refinance. Unbeknownst to the attorney, the real estate loan broker was trying to defraud the borrower out of his property. The matter went to trial that lasted over ten days. The trial resulted in a directed verdict for the attorney. **Defense costs for the attorney were nearly \$200,000.**
- An attorney was engaged to act as local counsel for the plaintiffs in a wrongful death action. The lead attorneys mishandled the case, and the attorney acting as local counsel failed to notify the plaintiffs of what was happening. **The legal malpractice case against the attorneys settled for nearly \$1.5 million.**
